States Magistrate Judge Jeremiah C. Lynch entered Findings and Recommendation in this matter on August 27, 2007, after conducting a preliminary screening of Plaintiff's Amended Complaint. Judge Lynch recommended dismissing Plaintiff's Amended Complaint as barred by the doctrine of res judicata. Plaintiff timely objected to the Findings and Recommendation on September 10, 2007.¹ Plaintiff therefore is entitled to de novo

¹Plaintiff termed his objections a "Motion for Reconsideration." The Court will construe the motion as Plaintiff's objections to Judge Lynch's Findings and Recommendation.
